There are many elements of the LIT program: Christian teaching, activity instruction, interpersonal-relationship building, work that serves camp, responsibility for campers, lots of fun (and more!). What parts of the program appeal most to you?

What do you think you will find challenging?

How will you handle these challenges?

What previous experience, if any, do you have working with children?

Do you have a favourite counselor or one that you would like to emulate as a leader - who and why?

Please provide the name, address and phone number of two people who know you well and would be willing to provide a reference. Also, please provide a reference letter from an adult who has observed you working with youth/children.
